died intestate, as Probate Court, the Heirs-at-Law, next of Kin, and all other persons interested in the estate of LYDIA A. SWAN, late of said town, deceased, singly or jointly, have been legally summoned to appear at said meeting.

WHEREAS, a certain instrument purporting to be the last will and testament of said deceased, by JAMES J. DAVENPORT, who prays, that letters testamentary may be issued to her, the executrix therein named, and that she may be authorized to sell a surety or sureties on her bond pursuant to said will and statute.

And whereas, it has appeared to a Probate Court, to be held in Cambridge, in said County of Middlesex, on the second Tuesday of July next at nine o'clock in the forenoon of said day, that you have signed and sworn to the foregoing petition against the same. And said petition was presented to give public notice thereof, by publishing

In the newspaper called the **Successive**  
 bugman, printed at Boston, the last publication  
 was two days, at least, before the **Massachusetts**  
 Witness, **GEORGE M. BROOKS**, said Court.  
 the two days, at least, before the **Massachusetts**  
 said Court, the eleventh day of June, in the year  
 the thousand eight hundred and eighty-five.  
 1885-25  
 J. H. T. LEE, Register.

that cramps, and belts, so called, soon become  
weak, and lose the nerve power, and also lose  
their power. **THE CELLULOSE** does not filled  
with water, as is always clean, as is in proof  
of the reaction of the body. Do not be  
deceived by a sales talk about the cellulose  
masses, but remember that **THE CELLU-**  
lose when properly adjusted, is the only true  
cellulose, and is the only one that is de-  
pendent on. This is especially the case in summer;  
wearer of an elastic or leather truss soon become  
out of shape, and the cellulose truss is the only  
one that is properly adjusted, and is the only  
one that is guaranteed by **G. F. DING-**  
**ER** 86 Bromfield St.,  
Wesleyan Building, Boston.
